

## Bcl-2 (19L10) Rabbit Monoclonal Antibody

Catalog# UZ-MA00502

### Product information

|                     |                                                                                                                                                                          |

| 产品货号                | UZ-MA00502                                                                                                                                                               |
| 别名                  | Apoptosis regulator Bcl-2; BCL2;                                                                                                                                         |
| 产品名称                | Bcl-2 (19L10) Rabbit Monoclonal Antibody                                                                                                                                 |
| 纯度                  | Affinity-chromatography                                                                                                                                                  |
| 类别                  | 抗体产品                                                                                                                                                                     |
| 基因名称                | BCL2                                                                                                                                                                     |
| 推荐应用                | WB,IHC-P,IF-P,IP                                                                                                                                                         |
| 反应种属                | Human                                                                                                                                                                    |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                                             |
| Human Gene ID       | 596                                                                                                                                                                      |
| Human Swissprot No. | P10415                                                                                                                                                                   |
| 免疫原                 | A synthetic peptide of human Bcl-2                                                                                                                                       |
| 稀释度                 | WB 1:1000, IHC-P/IF-P 1:200-1:500, IP 1:50                                                                                                                               |
| 参考分子量               | 26kDa                                                                                                                                                                    |
| 预测分子量               | 26kDa                                                                                                                                                                    |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                             |
| 宿主                  | Rabbit                                                                                                                                                                   |
| 同种型                 | IgG                                                                                                                                                                      |
| 注意事项                | Bcl-2 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                                         |
| 细胞定位                | Mitochondrion outer membrane; Single-pass membrane protein. Nucleus membrane; Single-pass membrane protein. Endoplasmic reticulum membrane; Single-pass membrane protein |
| Clonality           | Monoclonal                                                                                                                                                               |
