

## CD32 (12Q18) Rabbit Monoclonal Antibody

Catalog# UZ-MA00748

### Product information

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA00748                                                                                                   |
| 别名                  | CD32; CD32A; CD32B; CD32C; FCG2; FcGR; FCGR2; FCGR2A; FCGR2B; FCGR2C; Fcgr3a; FCR II; IGFR2;                 |
| 产品名称                | CD32 (12Q18) Rabbit Monoclonal Antibody                                                                      |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | FCGR2A                                                                                                       |
| 推荐应用                | WB,IHC-P,IF-P                                                                                                |
| 反应种属                | Human                                                                                                        |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 2212                                                                                                         |
| Human Swissprot No. | P12318                                                                                                       |
| 免疫原                 | A synthetic peptide of human CD32                                                                            |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:200-1:1000                                                                    |
| 参考分子量               | 35-42kDa                                                                                                     |
| 预测分子量               | 35kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | CD32 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.              |
| 细胞定位                | Cell membrane; Single-pass type I membrane protein                                                           |
| Clonality           | Monoclonal                                                                                                   |
