

## CD41 (9S11) Rabbit Monoclonal Antibody

Catalog# UZ-MA00782

### Product information

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA00782                                                                                                   |
| 别名                  | Integrin alpha-Iib; GPalpha Iib; GPIIb; Platelet membrane glycoprotein Iib; CD41; ITGA2B; GP2B; ITGAB;       |
| 产品名称                | CD41 (9S11) Rabbit Monoclonal Antibody                                                                       |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | ITGA2B                                                                                                       |
| 推荐应用                | WB,IHC-P,IF-P,IF-ICC                                                                                         |
| 反应种属                | Human,Mouse                                                                                                  |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 3674                                                                                                         |
| Human Swissprot No. | P08514                                                                                                       |
| 免疫原                 | A synthetic peptide of human CD41                                                                            |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:100-1:200, IF-ICC 1:100-1:200                                                 |
| 参考分子量               | 137kDa                                                                                                       |
| 预测分子量               | 113kDa                                                                                                       |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | CD41 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.              |
| 细胞定位                | Membrane; Single-pass type I membrane protein.                                                               |
| Clonality           | Monoclonal                                                                                                   |
