

## Cyclin E1 (19C1) Rabbit Monoclonal Antibody

Catalog# UZ-MA01244

### Product information

|                     |                                                                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA01244                                                                                                                                        |
| 别名                  | CCNE; Ccne1; cyclin E variant ex5del; cyclin E variant ex7del; Cyclin E1; Cyclin E s; Cyclin Et; G1/S specific cyclin E; G1/S-specific cyclin-E1; |
| 产品名称                | Cyclin E1 (19C1) Rabbit Monoclonal Antibody                                                                                                       |
| 纯度                  | Affinity-chromatography                                                                                                                           |
| 类别                  | 抗体产品                                                                                                                                              |
| 基因名称                | CCNE1                                                                                                                                             |
| 推荐应用                | WB,IF-ICC,FCM                                                                                                                                     |
| 反应种属                | Human                                                                                                                                             |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                      |
| Human Gene ID       | 898                                                                                                                                               |
| Human Swissprot No. | P24864                                                                                                                                            |
| 免疫原                 | A synthetic peptide of human Cyclin E1                                                                                                            |
| 稀释度                 | WB 1:1000-1:5000, IF-ICC 1:500-1:1000, FCM 1:100                                                                                                  |
| 参考分子量               | 47kDa                                                                                                                                             |
