

## EGR2 (7Z8) Rabbit Monoclonal Antibody

Catalog# UZ-MA01503

### Product information

---

|            |                                                                                                              |
|------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号       | UZ-MA01503                                                                                                   |
| 别名         | Egr-2; Zfp-6; Krox20; NGF1-B; Zfp-25; Krox-20                                                                |
| 产品名称       | EGR2 (7Z8) Rabbit Monoclonal Antibody                                                                        |
| 类别         | 抗体产品                                                                                                         |
| 推荐应用       | WB,IHC-P,FCM,IF-P                                                                                            |
| 反应种属       | Mouse,Rat                                                                                                    |
| 存储缓冲液      | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| 免疫原        | A synthetic peptide of mouse EGR2                                                                            |
| 稀释度        | WB 1:1000, IHC-P/IF-P 1:200-1:2000, FCM 1:200-1:500                                                          |
| 参考分子量      | 50kDa                                                                                                        |
| 预测分子量      | 50kDa                                                                                                        |
| 运输及保存条件    | -20°C/1 year                                                                                                 |
| 宿主         | Rabbit                                                                                                       |
| 同种型        | IgG                                                                                                          |
| 背景介绍       | Sequence-specific DNA-binding transcription factor (By similarity)                                           |
| 纯化         | Affinity Purification                                                                                        |
| Uniprot ID | P51774                                                                                                       |
| Clonality  | Monoclonal                                                                                                   |
