

## ERK5 (1Z9) Rabbit Monoclonal Antibody

Catalog# UZ-MA01555

### Product information

---

|                     |                                                                                                                                                            |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA01555                                                                                                                                                 |
| 别名                  | Big MAP kinase 1; BMK 1; BMK 1 kinase; BMK-1; BMK1; BMK1 Kinase; ERK 4; ERK 5; ERK -5; ERK4; ERK5; MAP kinase 7; MAPK 7; Mitogen Activated Protein Kinase; |
| 产品名称                | ERK5 (1Z9) Rabbit Monoclonal Antibody                                                                                                                      |
| 纯度                  | Affinity-chromatography                                                                                                                                    |
| 类别                  | 抗体产品                                                                                                                                                       |
| 基因名称                | MAPK7                                                                                                                                                      |
| 推荐应用                | WB,IF-ICC,FCM,IP                                                                                                                                           |
| 反应种属                | Human,Mouse,Rat                                                                                                                                            |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                               |
| Human Gene ID       | 5598                                                                                                                                                       |
| Human Swissprot No. | Q13164                                                                                                                                                     |
| 免疫原                 | A synthetic peptide of human ERK5                                                                                                                          |
| 稀释度                 | WB 1:1000-1:5000, IF-ICC 1:100, FCM 1:20-1:50, IP 1:20-1:50                                                                                                |
| 参考分子量               | 115kDa                                                                                                                                                     |
| 预测分子量               | 88kDa                                                                                                                                                      |
| 运输及保存条件             | -20°C/1 year                                                                                                                                               |
| 宿主                  | Rabbit                                                                                                                                                     |
| 同种型                 | IgG                                                                                                                                                        |
| 注意事项                | ERK5 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                            |
| 细胞定位                | Cytoplasm. Nucleus. Nucleus, PML body. Note=Translocates to the nucleus upon activation                                                                    |
| Clonality           | Monoclonal                                                                                                                                                 |
