

## FYB (3G12) Rabbit Monoclonal Antibody

Catalog# UZ-MA01767

### Product information

|                     |                                                                                                                                                                                                          |

| 产品货号                | UZ-MA01767                                                                                                                                                                                               |
| 别名                  | ADAP; Fyb; FYN binding protein; p120/p130; SLAP130;                                                                                                                                                      |
| 产品名称                | FYB (3G12) Rabbit Monoclonal Antibody                                                                                                                                                                    |
| 纯度                  | Affinity-chromatography                                                                                                                                                                                  |
| 类别                  | 抗体产品                                                                                                                                                                                                     |
| 基因名称                | FYB1                                                                                                                                                                                                     |
| 推荐应用                | WB,IHC-P,FCM                                                                                                                                                                                             |
| 反应种属                | Human                                                                                                                                                                                                    |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                                                                             |
| Human Gene ID       | 2533                                                                                                                                                                                                     |
| Human Swissprot No. | O15117                                                                                                                                                                                                   |
| 免疫原                 | A synthetic peptide of human FYB                                                                                                                                                                         |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:200-1:500, FCM 1:100                                                                                                                                                      |
| 参考分子量               | 130,120kDa                                                                                                                                                                                               |
| 预测分子量               | 85kDa                                                                                                                                                                                                    |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                                                             |
| 宿主                  | Rabbit                                                                                                                                                                                                   |
| 同种型                 | IgG                                                                                                                                                                                                      |
| 注意事项                | FYB Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                                           |
| 细胞定位                | Cytoplasm. Nucleus {ECO:0000255 PROSITE-ProRule:PRU00768}. Cell junction {ECO:0000250 UniProtKB:O35601}. Note=Colocalizes with TMEM47 at cell-cell contacts in podocytes. {ECO:0000250 UniProtKB:O35601} |
| Clonality           | Monoclonal                                                                                                                                                                                               |
