

## Histone H3 (Phospho Ser10/Thr11) (17B15) Rabbit Monoclonal Antibody

Catalog# UZ-MA02257

### Product information

---

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA02257                                                                                                   |
| 产品名称                | Histone H3 (Phospho Ser10/Thr11) (17B15) Rabbit Monoclonal Antibody                                          |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | H3C1                                                                                                         |
| 推荐应用                | WB,IHC-P,IF-ICC,IP,IF-P                                                                                      |
| 反应种属                | Human,Mouse,Rat                                                                                              |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 8350                                                                                                         |
| Human Swissprot No. | P68431                                                                                                       |
| 免疫原                 | A synthetic phosphopeptide corresponding to residues surrounding Ser10/Thr11 of human Histone H3             |
| 稀释度                 | WB 1:1000, IHC-P/IF-P 1:50, IF-ICC 1:200-1:1000, IP 1:50                                                     |
| 参考分子量               | 17kDa                                                                                                        |
| 预测分子量               | 15kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| Clonality           | Monoclonal                                                                                                   |
