

## KDM1 / LSD1 (11B1) Rabbit Monoclonal Antibody

Catalog# UZ-MA02574

### Product information

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA02574                                                                                                   |
| 别名                  | AOF2; CPRF; EC1; KDM1; Kdm1a; LSD1;                                                                          |
| 产品名称                | KDM1 / LSD1 (11B1) Rabbit Monoclonal Antibody                                                                |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | KDM1A                                                                                                        |
| 推荐应用                | WB,IHC-P,IF-ICC,FCM,IP,IF-P                                                                                  |
| 反应种属                | Human,Mouse,Rat                                                                                              |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 23028                                                                                                        |
| Human Swissprot No. | O60341                                                                                                       |
| 免疫原                 | A synthetic peptide of human KDM1/LSD1                                                                       |
| 稀释度                 | WB 1:2000-1:10000, IHC-P/IF-P 1:50-1:200, IF-ICC 1:100-1:200, FCM 1:20, IP 1:20-1:50                         |
| 参考分子量               | 110kDa                                                                                                       |
| 预测分子量               | 93kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | KDM1 / LSD1 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.       |
| 细胞定位                | Nucleus                                                                                                      |
| Clonality           | Monoclonal                                                                                                   |
