| 产品货号       | UZ-MA02822                                                                                                   |
| 别名         | fic; marc; mcp3; MCP-3; Scya7                                                                                |
| 产品名称       | MCP3 (7U6) Rabbit Monoclonal Antibody                                                                        |
| 类别         | 抗体产品                                                                                                         |
| 推荐应用       | WB,IP                                                                                                        |
| 反应种属       | Human,Mouse                                                                                                  |
| 存储缓冲液      | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| 免疫原        | Recombinant protein of mouse MCP3                                                                            |
| 稀释度        | WB 1:1000, IP 1:20-1:50                                                                                      |
| 参考分子量      | 11kDa                                                                                                        |
| 预测分子量      | 11kDa                                                                                                        |
| 运输及保存条件    | -20°C/1 year                                                                                                 |
| 宿主         | Rabbit                                                                                                       |
| 同种型        | IgG                                                                                                          |
| 背景介绍       | Chemotactic factor that attracts monocytes and eosinophils, but not neutrophils                              |
| 纯化         | Affinity Purification                                                                                        |
| Uniprot ID | Q03366                                                                                                       |
| Clonality  | Monoclonal                                                                                                   |
