

## Mast Cell Chymase (13J16) Rabbit Monoclonal Antibody

Catalog# UZ-MA03019

### Product information

---

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03019                                                                                                   |
| 别名                  | Chymase 1; Chymase; CMA1; CYH; CYM; Mcp-5; MCP3P; Mcpt5; MCT1; MMCP-5;                                       |
| 产品名称                | Mast Cell Chymase (13J16) Rabbit Monoclonal Antibody                                                         |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | CMA1                                                                                                         |
| 推荐应用                | WB,IHC-P,IF-P                                                                                                |
| 反应种属                | Human                                                                                                        |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 1215                                                                                                         |
| Human Swissprot No. | P23946                                                                                                       |
| 免疫原                 | A synthetic peptide of human Mast Cell Chymase                                                               |
| 稀释度                 | WB 1:2000-1:20000, IHC-P/IF-P 1:200-1:500                                                                    |
| 参考分子量               | 27kDa                                                                                                        |
| 预测分子量               | 27kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | Mast Cell Chymase Antibody is for research use only and not for use in diagnostic or therapeutic procedures. |
| 细胞定位                | Secreted. Cytoplasmic granule. Note=Mast cell granules                                                       |
| Clonality           | Monoclonal                                                                                                   |
