

## PD1 (4M8) Rabbit Monoclonal Antibody

Catalog# UZ-MA03423

### Product information

|                     |                                                                                                                                                               |

| 产品货号                | UZ-MA03423                                                                                                                                                    |
| 别名                  | CD279; hPD 1; hSLE1; PD1; PDCD1; Programmed cell death 1; Protein PD 1; SLEB2;                                                                                |
| 产品名称                | PD1 (4M8) Rabbit Monoclonal Antibody                                                                                                                          |
| 纯度                  | Affinity-chromatography                                                                                                                                       |
| 类别                  | 抗体产品                                                                                                                                                          |
| 基因名称                | PDCD1                                                                                                                                                         |
| 推荐应用                | WB,IHC-P,FCM,IP,IF-P                                                                                                                                          |
| 反应种属                | Human                                                                                                                                                         |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                                  |
| Human Gene ID       | 5133                                                                                                                                                          |
| Human Swissprot No. | Q15116                                                                                                                                                        |
| 免疫原                 | Recombinant protein of human PD1                                                                                                                              |
| 稀释度                 | WB 1:1000, IHC-P/IF-P 1:50, FCM 1:200-1:500, IP 1:20-1:50                                                                                                     |
| 参考分子量               | 52-65kDa                                                                                                                                                      |
| 预测分子量               | 32kDa                                                                                                                                                         |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                  |
| 宿主                  | Rabbit                                                                                                                                                        |
| 同种型                 | IgG                                                                                                                                                           |
| 注意事项                | PD1 Antibody is for research use only and not for use in diagnostic or therapeutic procedures. PDCD1 {ECO:0000303 PubMed:7851902, ECO:0000312 HGNC:HGNC:8760} |
| 细胞定位                | Cell membrane; Single-pass type I membrane protein                                                                                                            |
| Clonality           | Monoclonal                                                                                                                                                    |
