

## PROX1 (16C5) Rabbit Monoclonal Antibody

Catalog# UZ-MA03652

### Product information

|                     |                                                                                                                     |
|---------------------|---------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03652                                                                                                          |
| 别名                  | Homeobox prospero like protein PROX1; Prospero homeobox protein 1; prospero-related homeobox gene 1; PROX1;         |
| 产品名称                | PROX1 (16C5) Rabbit Monoclonal Antibody                                                                             |
| 纯度                  | Affinity-chromatography                                                                                             |
| 类别                  | 抗体产品                                                                                                                |
| 基因名称                | PROX1                                                                                                               |
| 推荐应用                | WB                                                                                                                  |
| 反应种属                | Human                                                                                                               |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.        |
| Human Gene ID       | 5629                                                                                                                |
| Human Swissprot No. | Q92786                                                                                                              |
| 免疫原                 | A synthetic peptide of human PROX1                                                                                  |
| 稀释度                 | WB 1:1000-1:5000                                                                                                    |
| 参考分子量               | 85kDa                                                                                                               |
| 预测分子量               | 83kDa                                                                                                               |
| 运输及保存条件             | -20°C/1 year                                                                                                        |
| 宿主                  | Rabbit                                                                                                              |
| 同种型                 | IgG                                                                                                                 |
| 注意事项                | PROX1 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                    |
| 细胞定位                | Nucleus {ECO:0000250 UniProtKB:P48437}. Note=RORG promotes its nuclear localization. {ECO:0000250 UniProtKB:P48437} |
| Clonality           | Monoclonal                                                                                                          |
