

## Peroxiredoxin 5 (18K18) Rabbit Monoclonal Antibody

Catalog# UZ-MA03734

### Product information

|                     |                                                                                                                              |
|---------------------|------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03734                                                                                                                   |
| 别名                  | ACR1; AOEB166; B166; Peroxiredoxin V; Peroxiredoxin-5; PLP; PMP20; PRDX5; PRDX6; Prx-V; PRXV; SBBI10; Thioredoxin reductase; |
| 产品名称                | Peroxiredoxin 5 (18K18) Rabbit Monoclonal Antibody                                                                           |
| 纯度                  | Affinity-chromatography                                                                                                      |
| 类别                  | 抗体产品                                                                                                                         |
| 基因名称                | PRDX5                                                                                                                        |
| 推荐应用                | WB,IHC-P,IF-P,IP                                                                                                             |
| 反应种属                | Human,Mouse,Rat                                                                                                              |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                 |
| Human Gene ID       | 25824                                                                                                                        |
| Human Swissprot No. | P30044                                                                                                                       |
| 免疫原                 | A synthetic peptide of human Peroxiredoxin 5                                                                                 |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:100-1:200, IP 1:50                                                                            |
| 参考分子量               | 17kDa                                                                                                                        |
| 预测分子量               | 22kDa                                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                                 |
| 宿主                  | Rabbit                                                                                                                       |
| 同种型                 | IgG                                                                                                                          |
| 注意事项                | Peroxiredoxin 5 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                   |
| 细胞定位                | [Isoform Mitochondrial]: Mitochondrion                                                                                       |
| Clonality           | Monoclonal                                                                                                                   |
