

## Phospho-Glycogen synthase (Ser641) (11H1) Rabbit Monoclonal Antibody

Catalog# UZ-MA03736

### Product information

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03736                                                                                                   |
| 别名                  | Glycogen [starch] synthase; Glycogen synthase 1 (muscle); Glycogen synthase 1; GYS; GYS; Gys1; muscle;       |
| 产品名称                | Phospho-Glycogen synthase (Ser641) (11H1) Rabbit Monoclonal Antibody                                         |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | GYS1                                                                                                         |
| 推荐应用                | WB,IHC-P,IF-P                                                                                                |
| 反应种属                | Human,Mouse                                                                                                  |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 2997                                                                                                         |
| Human Swissprot No. | P13807                                                                                                       |
| 免疫原                 | A synthetic phosphopeptide corresponding to residues surrounding Ser641 of human Glycogen synthase 1/GYS1    |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:100-1:200                                                                     |
| 参考分子量               | 84kDa                                                                                                        |
| 预测分子量               | 84kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | Glycogen synthase Antibody is for research use only and not for use in diagnostic or therapeutic procedures. |
| Clonality           | Monoclonal                                                                                                   |
