| 产品货号                | UZ-MA03772                                                                                                   |
| 产品名称                | Presenilin 1 (Phospho Ser310) (16E10) Rabbit Monoclonal Antibody                                             |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | PSEN1                                                                                                        |
| 推荐应用                | WB                                                                                                           |
| 反应种属                | Human                                                                                                        |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 5663                                                                                                         |
| Human Swissprot No. | P49768                                                                                                       |
| 免疫原                 | A synthetic phosphopeptide corresponding to residues surrounding Ser310 of human Presenilin 1                |
| 稀释度                 | WB 1:1000                                                                                                    |
| 参考分子量               | 22kDa                                                                                                        |
| 预测分子量               | 53kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| Clonality           | Monoclonal                                                                                                   |
