| 产品货号                | UZ-MA03858                                                                                                   |
| 产品名称                | RAP1 (7L12) Rabbit Monoclonal Antibody                                                                       |
| 类别                  | 抗体产品                                                                                                         |
| 基因名称                | RAP1B                                                                                                        |
| 推荐应用                | WB,FCM,IP                                                                                                    |
| 反应种属                | Human,Mouse,Rat                                                                                              |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Gene ID       | 5908                                                                                                         |
| Human Swissprot No. | P61224                                                                                                       |
| 免疫原                 | A synthetic peptide of human RAP1A/B                                                                         |
| 稀释度                 | WB 1:2000-1:20000, FCM 1:20-1:50, IP 1:50                                                                    |
| 参考分子量               | 21kDa                                                                                                        |
| 预测分子量               | 21kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| Clonality           | Monoclonal                                                                                                   |
