

## RBPJK (1D2) Rabbit Monoclonal Antibody

Catalog# UZ-MA03881

### Product information

---

|                     |                                                                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03881                                                                                                                                               |
| 别名                  | SUH; csl; AOS3; CBF1; KBF2; RBP-J; RBPJK; IGKJRB; RBPSUH; IGKJRB1;                                                                                       |
| 产品名称                | RBPJK (1D2) Rabbit Monoclonal Antibody                                                                                                                   |
| 纯度                  | Affinity-chromatography                                                                                                                                  |
| 类别                  | 抗体产品                                                                                                                                                     |
| 基因名称                | RBPJ                                                                                                                                                     |
| 推荐应用                | WB,IF-ICC,FCM                                                                                                                                            |
| 反应种属                | Human,Mouse,Rat                                                                                                                                          |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                             |
| Human Gene ID       | 3516                                                                                                                                                     |
| Human Swissprot No. | Q06330                                                                                                                                                   |
| 免疫原                 | A synthetic peptide of human RBPJK                                                                                                                       |
| 稀释度                 | WB 1:1000-1:5000, IF-ICC 1:100, FCM 1:100                                                                                                                |
| 参考分子量               | 61kDa                                                                                                                                                    |
| 预测分子量               | 56kDa                                                                                                                                                    |
| 运输及保存条件             | -20°C/1 year                                                                                                                                             |
| 宿主                  | Rabbit                                                                                                                                                   |
| 同种型                 | IgG                                                                                                                                                      |
| 注意事项                | RBPJK Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                         |
| 细胞定位                | Nucleus. Cytoplasm. Note=Mainly nuclear, upon interaction with RITA/C12orf52, translocates to the cytoplasm, down-regulating the Notch signaling pathway |
| Clonality           | Monoclonal                                                                                                                                               |
