

## Ras (7T10) Rabbit Monoclonal Antibody

Catalog# UZ-MA03996

### Product information

|                     |                                                                                                                                                         |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA03996                                                                                                                                              |
| 别名                  | GTPase HRas;GTPase KRas;GTPase NRas;H-Ras-1;HAMS;HRAS;HRAS1;K-RAS;N-RAS;NRAS;p21ras;RASH1;RASK2;Transforming protein p21                                |
| 产品名称                | Ras (7T10) Rabbit Monoclonal Antibody                                                                                                                   |
| 纯度                  | Affinity-chromatography                                                                                                                                 |
| 类别                  | 抗体产品                                                                                                                                                    |
| 基因名称                | NRAS                                                                                                                                                    |
| 推荐应用                | WB,IF-ICC,FCM,IP                                                                                                                                        |
| 反应种属                | Human,Mouse,Rat                                                                                                                                         |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                            |
| Human Gene ID       | 4893                                                                                                                                                    |
| Human Swissprot No. | P01111                                                                                                                                                  |
| 免疫原                 | A synthetic peptide of human Ras                                                                                                                        |
| 稀释度                 | WB 1:1000-1:5000, IF-ICC 1:200-1:500, FCM 1:20, IP 1:20                                                                                                 |
| 参考分子量               | 21kDa                                                                                                                                                   |
| 预测分子量               | 21kDa                                                                                                                                                   |
| 运输及保存条件             | -20°C/1 year                                                                                                                                            |
| 宿主                  | Rabbit                                                                                                                                                  |
| 同种型                 | IgG                                                                                                                                                     |
| 注意事项                | Ras Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                          |
| 细胞定位                | Cell membrane; Lipid-anchor; Cytoplasmic side. Golgi apparatus membrane; Lipid-anchor Note=Shuttles between the plasma membrane and the Golgi apparatus |
| Clonality           | Monoclonal                                                                                                                                              |
