

## SEC23B (13T5) Rabbit Monoclonal Antibody

Catalog# UZ-MA04101

### Product information

---

|            |                                                                                                                                         |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号       | UZ-MA04101                                                                                                                              |
| 别名         | Protein transport protein Sec23B                                                                                                        |
| 产品名称       | SEC23B (13T5) Rabbit Monoclonal Antibody                                                                                                |
| 类别         | 抗体产品                                                                                                                                    |
| 推荐应用       | WB,IHC-P,IF-ICC,FCM,IP,IF-P                                                                                                             |
| 反应种属       | Mouse                                                                                                                                   |
| 存储缓冲液      | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                            |
| 免疫原        | A synthetic peptide of mouse SEC23B                                                                                                     |
| 稀释度        | WB 1:1000, IHC-P/IF-P 1:200-1:1000, IF-ICC 1:50, FCM 1:200-1:500, IP 1:20-1:50                                                          |
| 参考分子量      | 86kDa                                                                                                                                   |
| 预测分子量      | 86kDa                                                                                                                                   |
| 运输及保存条件    | -20°C/1 year                                                                                                                            |
| 宿主         | Rabbit                                                                                                                                  |
| 同种型        | IgG                                                                                                                                     |
| 背景介绍       | Component of the coat protein complex II (COPII) which promotes the formation of transport vesicles from the endoplasmic reticulum (ER) |
| 纯化         | Affinity Purification                                                                                                                   |
| Uniprot ID | Q9D662                                                                                                                                  |
| Clonality  | Monoclonal                                                                                                                              |
