

## SNX4 (3D11) Rabbit Monoclonal Antibody

Catalog# UZ-MA04237

### Product information

|                     |                                                                                                                                                                |

| 产品货号                | UZ-MA04237                                                                                                                                                     |
| 别名                  | ATG24B; snx4; Sorting nexin 4;                                                                                                                                 |
| 产品名称                | SNX4 (3D11) Rabbit Monoclonal Antibody                                                                                                                         |
| 纯度                  | Affinity-chromatography                                                                                                                                        |
| 类别                  | 抗体产品                                                                                                                                                           |
| 基因名称                | SNX4                                                                                                                                                           |
| 推荐应用                | WB,FCM,IP                                                                                                                                                      |
| 反应种属                | Human,Mouse,Rat                                                                                                                                                |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                                   |
| Human Gene ID       | 8723                                                                                                                                                           |
| Human Swissprot No. | O95219                                                                                                                                                         |
| 免疫原                 | A synthetic peptide of human SNX4                                                                                                                              |
| 稀释度                 | WB 1:1000, FCM 1:50-1:100, IP 1:20-1:50                                                                                                                        |
| 参考分子量               | 52kDa                                                                                                                                                          |
| 预测分子量               | 52kDa                                                                                                                                                          |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                   |
| 宿主                  | Rabbit                                                                                                                                                         |
| 同种型                 | IgG                                                                                                                                                            |
| 注意事项                | SNX4 Antibody is for research use only and not for use in diagnostic or therapeutic procedures. SNX4 {ECO:0000303 PubMed:9819414, ECO:0000312 HGNC:HGNC:11175} |
| 细胞定位                | Early endosome membrane; Peripheral membrane protein; Cytoplasmic side. Note=Also detected on a juxtanuclear endocytic recycling compartment (ERC).            |
| Clonality           | Monoclonal                                                                                                                                                     |
