

## STAT5b (5J16) Rabbit Monoclonal Antibody

Catalog# UZ-MA04314

### Product information

|                     |                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA04314                                                                                                                                           |
| 别名                  | Signal transducer and activator of transcription 5B; STA5B; STAT5; Stat5b; Transcription factor STAT5B;                                              |
| 产品名称                | STAT5b (5J16) Rabbit Monoclonal Antibody                                                                                                             |
| 纯度                  | Affinity-chromatography                                                                                                                              |
| 类别                  | 抗体产品                                                                                                                                                 |
| 基因名称                | STAT5B                                                                                                                                               |
| 推荐应用                | WB,IHC-P,IF-P,IF-ICC,FCM,IP                                                                                                                          |
| 反应种属                | Human,Mouse,Rat                                                                                                                                      |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                         |
| Human Gene ID       | 6777                                                                                                                                                 |
| Human Swissprot No. | P51692                                                                                                                                               |
| 免疫原                 | Recombinant protein of human STAT5b                                                                                                                  |
| 稀释度                 | WB 1:1000-1:5000, IHC-P/IF-P 1:200-1:500, IF-ICC 1:100, FCM 1:20-1:50, IP 1:20-1:50                                                                  |
| 参考分子量               | 90kDa                                                                                                                                                |
| 预测分子量               | 90kDa                                                                                                                                                |
| 运输及保存条件             | -20°C/1 year                                                                                                                                         |
| 宿主                  | Rabbit                                                                                                                                               |
| 同种型                 | IgG                                                                                                                                                  |
| 注意事项                | STAT5b Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                    |
| 细胞定位                | Cytoplasm {ECO:0000250 UniProtKB:P42232}. Nucleus {ECO:0000250 UniProtKB:P42232}. Note=Translocated into the nucleus in response to phosphorylation. |
| Clonality           | Monoclonal                                                                                                                                           |
