

## TXNL1 (10S9) Rabbit Monoclonal Antibody

Catalog# UZ-MA04646

### Product information

---

|            |                                                                                                              |
|------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号       | UZ-MA04646                                                                                                   |
| 别名         | Txl; TXNL; TRP32; TXL-1; HEL-S-114                                                                           |
| 产品名称       | TXNL1 (10S9) Rabbit Monoclonal Antibody                                                                      |
| 类别         | 抗体产品                                                                                                         |
| 推荐应用       | WB,IHC-P,IF-ICC,FCM,IF-P                                                                                     |
| 反应种属       | Human,Mouse,Rat                                                                                              |
| 存储缓冲液      | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| 免疫原        | A synthetic peptide of human TXNL1                                                                           |
| 稀释度        | WB 1:1000-1:5000, IHC-P/IF-P 1:100-1:200, IF-ICC 1:100-1:200, FCM 1:50-1:100                                 |
| 参考分子量      | 32kDa                                                                                                        |
| 预测分子量      | 32kDa                                                                                                        |
| 运输及保存条件    | -20°C/1 year                                                                                                 |
| 宿主         | Rabbit                                                                                                       |
| 同种型        | IgG                                                                                                          |
| 背景介绍       | Thioredoxin-like protein 1                                                                                   |
| 纯化         | Affinity Purification                                                                                        |
| Uniprot ID | O43396                                                                                                       |
| Clonality  | Monoclonal                                                                                                   |
