

## Trefoil Factor 3 (11U9) Rabbit Monoclonal Antibody

Catalog# UZ-MA04727

### Product information

---

|                     |                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA04727                                                                                                      |
| 别名                  | hITF; hP1.B; Intestinal trefoil factor; ITF; mITF; P1B; Polypeptide P1.B; TFF3; TFI; TREFOIL; Trefoil factor 3; |
| 产品名称                | Trefoil Factor 3 (11U9) Rabbit Monoclonal Antibody                                                              |
| 纯度                  | Affinity-chromatography                                                                                         |
| 类别                  | 抗体产品                                                                                                            |
| 基因名称                | TFF3                                                                                                            |
| 推荐应用                | WB,IHC-P,IP,IF-P                                                                                                |
| 反应种属                | Human                                                                                                           |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.    |
| Human Gene ID       | 7033                                                                                                            |
| Human Swissprot No. | Q07654                                                                                                          |
| 免疫原                 | A synthetic peptide of human Trefoil Factor 3                                                                   |
| 稀释度                 | WB 1:1000, IHC-P/IF-P 1:200-1:2000, IP 1:20-1:50                                                                |
| 参考分子量               | 10kDa                                                                                                           |
| 预测分子量               | 10kDa                                                                                                           |
| 运输及保存条件             | -20°C/1 year                                                                                                    |
| 宿主                  | Rabbit                                                                                                          |
| 同种型                 | IgG                                                                                                             |
| 注意事项                | Trefoil Factor 3 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.     |
| 细胞定位                | Secreted, extracellular space, extracellular matrix. Cytoplasm                                                  |
| Clonality           | Monoclonal                                                                                                      |
