

## Zyxin (5F13) Rabbit Monoclonal Antibody

Catalog# UZ-MA04961

### Product information

|                     |                                                                                                                                                                                                 |

| 产品货号                | UZ-MA04961                                                                                                                                                                                      |
| 别名                  | ESP2; HED2; ZYX; Zyxin2;                                                                                                                                                                        |
| 产品名称                | Zyxin (5F13) Rabbit Monoclonal Antibody                                                                                                                                                         |
| 纯度                  | Affinity-chromatography                                                                                                                                                                         |
| 类别                  | 抗体产品                                                                                                                                                                                            |
| 基因名称                | ZYX                                                                                                                                                                                             |
| 推荐应用                | WB,IHC-P,IF-ICC,FCM,IP,IF-P                                                                                                                                                                     |
| 反应种属                | Human,Mouse,Rat                                                                                                                                                                                 |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA.                                                                                    |
| Human Gene ID       | 7791                                                                                                                                                                                            |
| Human Swissprot No. | Q15942                                                                                                                                                                                          |
| 免疫原                 | A synthetic peptide of human Zyxin                                                                                                                                                              |
| 稀释度                 | WB 1:2000-1:20000, IHC-P/IF-P 1:200-1:1000, IF-ICC 1:200-1:500, FCM 1:100, IP 1:50                                                                                                              |
| 参考分子量               | 78kDa                                                                                                                                                                                           |
| 预测分子量               | 61kDa                                                                                                                                                                                           |
| 运输及保存条件             | -20°C/1 year                                                                                                                                                                                    |
| 宿主                  | Rabbit                                                                                                                                                                                          |
| 同种型                 | IgG                                                                                                                                                                                             |
| 注意事项                | Zyxin Antibody is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                                |
| 细胞定位                | Cytoplasm. Cytoplasm, cytoskeleton. Nucleus. Cell junction, focal adhesion. Note= Associates with the actin cytoskeleton near the adhesion plaques. Enters the nucleus in the presence of HESX1 |
| Clonality           | Monoclonal                                                                                                                                                                                      |
