

## p53 (Acetyl Lys370) (18F7) Rabbit Monoclonal Antibody

Catalog# UZ-MA05115

### Product information

---

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-MA05115                                                                                                   |
| 别名                  | Antigen NY-CO-13; Cellular tumor antigen p53; Phosphoprotein p53; TP53; Tumor suppressor p53;                |
| 产品名称                | p53 (Acetyl Lys370) (18F7) Rabbit Monoclonal Antibody                                                        |
| 纯度                  | Affinity-chromatography                                                                                      |
| 类别                  | 抗体产品                                                                                                         |
| 推荐应用                | WB,IF-ICC,FCM,IP                                                                                             |
| 反应种属                | Human,Mouse,Rat                                                                                              |
| 存储缓冲液               | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| Human Swissprot No. | P04637                                                                                                       |
| 免疫原                 | A synthetic acetyl-peptide corresponding to residues surrounding Lys370 of human p53                         |
| 稀释度                 | WB 1:1000, IF-ICC 1:200-1:500, FCM 1:100-1:200, IP 1:100                                                     |
| 参考分子量               | 53kDa                                                                                                        |
| 预测分子量               | 44kDa                                                                                                        |
| 运输及保存条件             | -20°C/1 year                                                                                                 |
| 宿主                  | Rabbit                                                                                                       |
| 同种型                 | IgG                                                                                                          |
| 注意事项                | p53 (acetyl K370) Antibody is for research use only and not for use in diagnostic or therapeutic procedures. |
| Clonality           | Monoclonal                                                                                                   |
