

## 14-3-3 $\beta/\zeta$ (phospho Ser184/186) Rabbit Polyclonal Antibody

Catalog# UZ-PA00003

### Product information

|                     |                                                                                                                                                                                    |

| 产品货号                | UZ-PA00003                                                                                                                                                                         |
| 别名                  | YWHAZ; 14-3-3 protein zeta/delta; Protein kinase C inhibitor protein 1; KCIP-1; YWHAB; 14-3-3 protein beta/alpha; Protein 1054; Protein kinase C inhibitor protein 1; KCIP-1;YWHAZ |
| 产品名称                | 14-3-3 $\beta/\zeta$ (phospho Ser184/186) Rabbit Polyclonal Antibody                                                                                                               |
| 类别                  | 抗体产品                                                                                                                                                                               |
| 基因名称                | YWHAB                                                                                                                                                                              |
| 推荐应用                | WB,ELISA                                                                                                                                                                           |
| 反应种属                | Human,Mouse,Rat                                                                                                                                                                    |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N .                                                                                                |
| Human Gene ID       | 7534/7529                                                                                                                                                                          |
| Human Swissprot No. | P63104/P31946                                                                                                                                                                      |
| 免疫原                 | The antiserum was produced against synthesized peptide derived from human 14-3-3 beta/zeta around the phosphorylation site of Ser184/186. AA range:151-200                         |
| 稀释度                 | WB 1:500-1:2000, ELISA 1:5000.Not yet tested in other applications.                                                                                                                |
| 参考分子量               | 28kDa                                                                                                                                                                              |
| 宿主                  | Rabbit                                                                                                                                                                             |
| 纯化                  | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                              |
| Clonality           | Polyclonal                                                                                                                                                                         |
