| 产品货号                | UZ-PA00547                                                                                                                       |
| 别名                  | ABH;ABH1;ALKBH                                                                                                                   |
| 产品名称                | ALKBH1 Rabbit Polyclonal Antibody                                                                                                |
| 类别                  | 抗体产品                                                                                                                             |
| 基因名称                | ALKBH1                                                                                                                           |
| 推荐应用                | WB                                                                                                                               |
| 反应种属                | Human,Mouse                                                                                                                      |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N .                                              |
| Human Gene ID       | 8846                                                                                                                             |
| Human Swissprot No. | Q13686                                                                                                                           |
| 稀释度                 | WB 1:500-2000                                                                                                                    |
| 预测分子量               | 43kDa                                                                                                                            |
| 运输及保存条件             | -15°C to -25°C/1 year(Do not lower than -25°C)                                                                                   |
| 细胞定位                | Nucleus . Mitochondrion . Mainly localizes in euchromatin, largely excluded from heterochromatin and nucleoli (By similarity). . |
| Clonality           | Polyclonal                                                                                                                       |
