

## AP5Z1/SPG48 Rabbit Polyclonal Antibody

Catalog# UZ-PA00743

### Product information

---

|                     |                                                                                                                                                         |

| 别名                  | KIAA0415;SPG48                                                                                                                                          |
| 产品名称                | AP5Z1/SPG48 Rabbit Polyclonal Antibody                                                                                                                  |
| 类别                  | 抗体产品                                                                                                                                                    |
| 基因名称                | AP5Z1                                                                                                                                                   |
| 推荐应用                | WB                                                                                                                                                      |
| 反应种属                | Human,Mouse                                                                                                                                             |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N .                                                                     |
| Human Gene ID       | 9907                                                                                                                                                    |
| Human Swissprot No. | O43299                                                                                                                                                  |
| 稀释度                 | WB 1:500-2000                                                                                                                                           |
| 预测分子量               | 89kDa                                                                                                                                                   |
| 运输及保存条件             | -15°C to -25°C/1 year(Do not lower than -25°C)                                                                                                          |
| 细胞定位                | Cytoplasm . Nucleus . By SDS-PAGE, 2 isoforms have been observed, the shorter seems to be predominantly nuclear and the longer is mostly cytoplasmic. . |
| Clonality           | Polyclonal                                                                                                                                              |
