| 产品货号                | UZ-PA00794                                                                                                            |
| 产品名称                | AQ12B Rabbit Polyclonal Antibody                                                                                      |
| 类别                  | 抗体产品                                                                                                                  |
| 基因名称                | AQP12B                                                                                                                |
| 推荐应用                | WB                                                                                                                    |
| 反应种属                | Human,Rat,Mouse                                                                                                       |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N .                                   |
| Human Gene ID       | 653437                                                                                                                |
| Human Swissprot No. | A6NM10                                                                                                                |
| 免疫原                 | Synthesized peptide derived from human AQ12B AA range: 213-263                                                        |
| 稀释度                 | WB 1:500-2000                                                                                                         |
| 参考分子量               | 32kDa                                                                                                                 |
| 运输及保存条件             | -20°C/1 year                                                                                                          |
| 宿主                  | Rabbit                                                                                                                |
| 同种型                 | Rabbit,IgG                                                                                                            |
| 细胞定位                | Membrane ; Multi-pass membrane protein .                                                                              |
| 纯化                  | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Clonality           | Polyclonal                                                                                                            |
