

## Brp44 Rabbit Polyclonal Antibody

Catalog# UZ-PA01764

### Product information

---

|                     |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| 产品货号                | UZ-PA01764                                                                                                            |
| 别名                  | MPC2; BRP44; Mitochondrial pyruvate carrier 2; Brain protein 44                                                       |
| 产品名称                | Brp44 Rabbit Polyclonal Antibody                                                                                      |
| 类别                  | 抗体产品                                                                                                                  |
| 基因名称                | MPC2                                                                                                                  |
| 推荐应用                | IHC-P,IF-P,IF-F,IF-ICC,ELISA                                                                                          |
| 反应种属                | Human,Mouse,Rat                                                                                                       |
| 存储缓冲液               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N .                                   |
| Human Gene ID       | 25874                                                                                                                 |
| Human Swissprot No. | O95563                                                                                                                |
| 免疫原                 | The antiserum was produced against synthesized peptide derived from human BRP44. AA range:31-80                       |
| 稀释度                 | IHC-P 1:100-1:300, ELISA 1:40000, IF-P/IF-F/IF-ICC 1:50-200                                                           |
| 参考分子量               | 14kDa                                                                                                                 |
| 运输及保存条件             | -20°C/1 year                                                                                                          |
| 宿主                  | Rabbit                                                                                                                |
| 同种型                 | Rabbit,IgG                                                                                                            |
| 背景介绍                | similarity:Belongs to the UPF0041 (0-44) family.,                                                                     |
| 细胞定位                | Mitochondrion inner membrane ; Multi-pass membrane protein .                                                          |
| 纯化                  | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Clonality           | Polyclonal                                                                                                            |
