| 产品货号                | HZ-YMA00408                                                                                                                 |
| 别名                  | DPEP3;UNQ834/PRO1772;Dipeptidase 3;UNQ834/PRO1772                                                                           |
| 产品名称                | DPEP3 (15A11) Rabbit Monoclonal Antibody                                                                                    |
| 类别                  | 抗体产品                                                                                                                        |
| 基因名称                | DPEP3                                                                                                                       |
| 推荐应用                | WB,IHC-P,IP                                                                                                                 |
| 反应种属                | Human                                                                                                                       |
| 存储缓冲液               | PBS, 50% glycerol, 0.05% Proclin 300, 0.05%BSA                                                                              |
| Human Gene ID       | 64180                                                                                                                       |
| Human Swissprot No. | Q9H4B8                                                                                                                      |
| 稀释度                 | WB 1:1000-5000, IHC-P 1:100-300, IP 1:50-100                                                                                |
| 预测分子量               | 54kDa                                                                                                                       |
| 运输及保存条件             | Biological ice bag transportation. Store at -20°C for at least 12 months(Do not lower than -25°C). Avoid freeze/thaw cycles |
| 宿主                  | Rabbit                                                                                                                      |
| 同种型                 | IgG,Kappa                                                                                                                   |
| 细胞定位                | Membrane; Lipid-anchor, GPI-anchor.                                                                                         |
| 纯化                  | Protein A                                                                                                                   |
| Clonality           | Monoclonal                                                                                                                  |
