

## NOTCH3 (13G11) Rabbit Monoclonal Antibody

Catalog# HZ-YMA00907

### Product information

|                     |                                                                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号                | HZ-YMA00907                                                                                                                                                            |
| 别名                  | Neurogenic locus notch homolog protein 3;Notch 3;[Cleaved into: Notch 3 extracellular truncation;Notch 3 intracellular domain]                                         |
| 产品名称                | NOTCH3 (13G11) Rabbit Monoclonal Antibody                                                                                                                              |
| 类别                  | 抗体产品                                                                                                                                                                   |
| 基因名称                | NOTCH3                                                                                                                                                                 |
| 推荐应用                | WB,IF-P,IF-F,IF-ICC,IP,ELISA                                                                                                                                           |
| 反应种属                | Human,Rat                                                                                                                                                              |
| 存储缓冲液               | PBS, 50% glycerol, 0.05% Proclin 300, 0.05%BSA                                                                                                                         |
| Human Gene ID       | 4854                                                                                                                                                                   |
| Human Swissprot No. | Q9UM47                                                                                                                                                                 |
| 稀释度                 | WB 1:2000-1:10000, IF-P/IF-F/IF-ICC 1:200-1:1000, ELISA 1:5000-1:20000, IP 1:50-1:200                                                                                  |
| 参考分子量               | 90kDa(fragment),270kDa(full length)                                                                                                                                    |
| 预测分子量               | 244kDa                                                                                                                                                                 |
| 运输及保存条件             | Biological ice bag transportation. Store at -20°C for at least 12 months(Do not lower than -25°C). Avoid freeze/thaw cycles                                            |
| 宿主                  | Rabbit                                                                                                                                                                 |
| 同种型                 | IgG,Kappa                                                                                                                                                              |
| 细胞定位                | Cell membrane ; Single-pass type I membrane protein.; [Notch 3 intracellular domain]: Nucleus. Following proteolytical processing NICD is translocated to the nucleus. |
| 纯化                  | Protein A                                                                                                                                                              |
| Clonality           | Monoclonal                                                                                                                                                             |
