

## CD80 (5O6) Rabbit Monoclonal Antibody

Catalog# HZ-YMA01552

### Product information

|           |                                                                                                                                           |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 产品货号      | HZ-YMA01552                                                                                                                               |
| 别名        | CD80;CD28LG;CD28LG1;LAB7;T-lymphocyte activation antigen CD80;Activation B7-1 antigen;BB1;CTLA-4 counter-receptor B7.1;B7;CD antigen CD80 |
| 产品名称      | CD80 (5O6) Rabbit Monoclonal Antibody                                                                                                     |
| 类别        | 抗体产品                                                                                                                                      |
| 基因名称      | CD80                                                                                                                                      |
| 推荐应用      | WB,IHC-P,IF-P,IF-F,IF-ICC,ELISA                                                                                                           |
| 反应种属      | Human                                                                                                                                     |
| 存储缓冲液     | PBS, 50% glycerol, 0.05% Proclin 300, 0.05%BSA                                                                                            |
| 稀释度       | IHC-P 1:200-1:1000, WB 1:1000-1:5000, IF-P/IF-F/IF-ICC 1:200-1:1000, ELISA 1:5000-1:20000                                                 |
| 参考分子量     | 60-70kDa                                                                                                                                  |
| 预测分子量     | 65kDa                                                                                                                                     |
| 运输及保存条件   | Biological ice bag transportation. Store at -20°C for at least 12 months(Do not thaw more than -25°C). Avoid freeze/thaw cycles           |
| 宿主        | Rabbit                                                                                                                                    |
| 同种型       | IgG,Kappa                                                                                                                                 |
| 细胞定位      | Expressed on activated B-cells, macrophages and dendritic cells.                                                                          |
| Clonality | Monoclonal                                                                                                                                |
